

Τεχνικές Προδιαγραφές Διαδικτυακών Προβολών

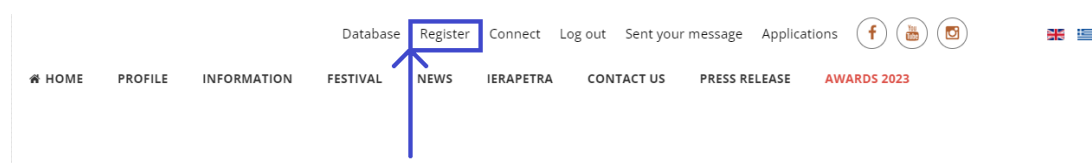

For the online screenings of the "11th International Documentary Festival & Awards" and of the "5nd International Film Festival of Crete & Awards", we use **Sproutvideo** platform which gives us the ability to screen the films only through our website from which the access to them will be available after the registration of each user. More specifically:

1. The digital material will not be visible through search engines.
2. There is no link to share the digital material with other internet users.
3. Access is only possible after User Registration (relevant instructions are provided below). User registration is free using your email and full name. If you have already registered on our website festivalierapetra.gr, you can use the same account or recover your password if you do not remember it.
4. The films of the online festival will be available for ONLINE screenings from Monday, August 5th to Sunday, August 25th.

Οδηγίες Εγγραφής Χρήστη

Online screenings will be available only to registered users of our website "festivalierapetra.gr". User registration is a simple process described in the following steps:

1. Click the "Register" link from the website menu.

2. Fill in the required fields marked with an asterisk * and then click the Register button.
3. To activate your user profile, you need to access your email and click the confirmation link that has been sent to you.
4. After activating your account, click the "Login" option from the menu, enter your username and password, and click Login (see the image below).
